

Building D

This 20,000 square foot permanent fabric structure can be used in conjunction with Building C for a total of 48,000 square feet. Featuring a permanent indoor walkway connecting the two buildings, heating/air conditioning and one roll up door, Building D has been an excellent venue for trade and consumer shows, conventions and banquets such as the Doll & Bear Show, The California State Fair Gala and the Fall RV Show. When used with Buildings A,B and C, these four buildings have a total of 120,600 square feet of highly versatile space.
